

PERCEPTION GAMES FOR INITIATION STAGE

Graphical Representation

Ball Possession – Initiation Stage

Content: PERCEPTION.

Concept 1: Guide the body in order to see the biggest space.

Concept 2: Look for the teammates' position.

Space: 25m (joker space 2,5m) x 18m (each rail 6m).

Teams: 4 attackers against 4 defenders + 2 jokers

Description: Ball possession where the objective is bring the ball from one freeman to the other freeman.

Rules:

1. There are 3 rails. The attackers can only pass the ball to the joker when he is in a different rail.
