

DIDACTIC SOLUTIONS FOR TRAINING ORGANIZATION

Importance at the Formation Stage:

Importance at the Technification Stage:

DIDACTIC SOLUTION

Keep in mind where the coach is located in the space, because around him/her there is always more participation.

The staff must continually move around the training area perimeter, so that players perceive the staff is near them at all points of the drill. While moving, the staff should also talk to the farthest players. This way they make themselves noticeable to near players with their presence and to distant players with their voice
