

TEACHING RESOURCES FOR FAMILIES

Pelé says: “Success is not an accident. It is hard work, perseverance, learning, study, sacrifice and, above all, love for what you are doing or learning to do”

Ekkono questions:

What is success? And the fear of success?

Do you think that success can only come with hard work, perseverance, learning, study, sacrifice and, above all, love?

The value of Excellence:

Ekkono considers the value of success is in great efforts and small actions, in the will to overcome difficulties, in the awareness of our abilities and in the desire to always be better and move on.
