

“HOW THE BEST PLAYERS THINK ABOUT...”

PELÉ

“Success is not an accident. It is hard work, perseverance, learning, study, sacrifice and, above all, love for what you are doing or learning to do”.

Pelé says that “Success is not an accident, it is no accident. It depends on different factors such as work, perseverance, learning, study, sacrifice and love“.

Do you agree? Why?

Rate from 1-10 how hard you work on each of these factors, and what should you do to get to 10, in case you don't get there now.
