Jürgen Klopp says: “Successful people do what they love and love what they do”

Ekkono questions:

Do you think it is important to love what you do?

Do you think you will be a better footballer if you love what you do?

Jürgen Klopp, Germany
He wins the 2018-19 Champions League with Liverpool

The value of: Love what you do .

Ekkono believes that it is not doing what we want, but wanting what we do, which gives us happiness. If you love what you do, you make your work excellent, innovative and unique.
