

# POSTER 1: AFTER THE MATCH...

What happened? Did you win? How many goals you score?

We've lost and I haven't scored any goals.

How is it possible? Why didn't you do your best? Surely the coach has yelled at you

Don't cry! Surely Alexia has scored a goal. She is good.

I was happy because the coach congratulated us for the team effort. And he/she has also told me that I have contributed with the team with my passes and my team spirit until the end.
