

TEACHING RESOURCES FOR FAMILIES

Højbjerg says: “I like to learn something new every day and I want to keep improving”

Ekkono questions:

Why is it important to learn and improve every day?

The value of: commitment

EKKono believes that the commitment to daily learning and improvement is not only about becoming a better player, but also about becoming a more well-rounded and adaptable individual both on and off the field.

Højbjerg, P.E., Denmark
